Dyspepsia Cure

Digests what you eat. We would like to call your attention to the following letter: Dear Sirs:-- I have been suffering from dyspepsia for 21 years. When-ever I would take a strong diet I would bloat up in the stomach. I would suffer great pains in the head and stomach and would be obliged to take to my bed and remain sometimes for a day and night. Nothing I took did me any good until last winter, when some one advised my husband to get for me a bottle of Kodol Dyspersia Cure, which he did. I used several bottles of it and I am happy to say I can eat any kind of strong diet I please. I can sleep well at night and I feel like another person altogether. I cannot give Kodol Dyspepsia Cure too much praise, and I will highly recommend it

to all sufferers of dyspepsia. - Mrs. Peter Kline, Hopewell, Pa. It can't help but do you good
